

#### **RVA ARCHITECTS**

Rafael Viñoly is widely recognized as one of the world's leading architects. Over his illustrious career, he has made his mark in almost every continent, driven by a desire to embed elegance in the built environment and to create original structures that transcend trends or fashion. His award-winning firm, Rafael Viñoly Architects, is based in New York with offices in London, Manchester, Abu Dhabi, Palo Alto and Boston. One River Point is the only Rafael Viñoly building in Miami.

Viñoly's work has been recognized in the world's leading design publications and received numerous awards for excellence. He is a member of the American Institute of Architects, the National Academy, the Royal Institute of British Architects, the Japan Institute of Architects, and the Sociedad Central de Arquitectos in Argentina.

Viñoly and his team are responsible for conceiving, designing and realizing One River Point.

#### **RÉMI TESSIER**

Rémi Tessier is one of the world's most highly regarded interior designers with a long list of super-yachts, planes, private residences and luxury offices to his name. He has a love of precision and a taste for rare materials; each one of his projects is bespoke and unique, tailored to its individual context and setting. He willingly defines himself as a craftsman of extreme luxury, one who thinks and rethinks elegance within places, where technicalities mingle ceremoniously with pleasure and well-being.

The communal areas of One River Point will be envisioned by Rémi Tessier. The world-renowned interior designer brings his impeccable taste, and self-proclaimed "artisan" attention to expressive beauty to create an ambience and environment that continually delights.

#### **SASAKI ASSOCIATES**

Led by its principal Isabel Zempel, Sasaki Associates has made an indelible mark on the built world. Specializing in master planning, urban design, architecture, landscape architecture, graphic design, and civil engineering, Sasaki's unparalleled design legacy has been acknowledged by 600-plus design awards.

Zempel has led the design of high-profile projects around the world, including award-winning civic and cultural landscape work in the United States, Asia, Europe, and the Middle East.

Her work focuses on large-scale public landscapes, plazas, streetscapes, botanical gardens, waterfront developments, art installations, and sculpture parks.

#### **KAR PROPERTIES**

Led by Principal Shahab S. Karmely, New York based KAR Properties is a real estate investment and development firm. With more than 28 years of international real estate experience, Shahab S. Karmely has honed an impressive pedigree in transactional, managerial, and developmental disciplines. These, combined with an extensive background in fine arts and design, are the foundational elements of his development expertise and overall vision.

As the founder of KAR Properties LLC, and through KAR and/or its affiliates, Mr. Karmely has acquired, repositioned, and monetized more than 3 million square feet of office, luxury mixed-use, and industrial space in the US, Southeast Asia, and Europe. With offices in New York and Miami, KAR currently oversees the management of a core portfolio of assets and a development pipeline in excess of 5 million square feet. KAR has made a significant entry into the Miami market with acquisitions in excess of \$120 million in established and emerging neighborhoods.

#### **DOUGLAS ELLIMAN**

Douglas Elliman Development Marketing, a branch of Douglas Elliman Real Estate, offers unmatched sales, leasing and marketing expertise for properties throughout New York City, South Florida and the Hamptons, as well as throughout the United States and internationally. The firm draws upon decades of experience to collaborate with visionary developers and world-renowned interior designers and architects to create the most coveted properties in the marketplace.

Through a strategic global alliance with Knight Frank Residential, the world's largest privately owned property consultancy, the company markets its properties to global audiences in 52 countries across six continents.
